

## Dear Guests

Let me shortly explain, why I decided to open this restaurant with wine bar. Our goal is to offer you gastronomy with traditional concept, in a beautiful space, with full professionalism and elegance. Nevertheless, affordable for wide range of customers. Our meals will be prepared mainly from local but always fresh bio quality foods with respective certificate (available on request). All Bio vegetables and meat products are from our own production. We will offer various meals and drinks in attractive and traditional concept. We will get back to things that have disappeared from gastronomy; many from domestic production. Menu changes will be frequently inspired by seasons. In addition to that, we`ll offer you 150 types of our and foreign wines, and certainly customers will be interested in our 20 years old distillates. I strong believe that under management of talented Dominik Baranek, who worked in London`s hotel Savoy and well-known chef Braňo Križan, my gastronomy dream will come true. I will also little supervise the restaurant and the wine bar to be rightfully named „ experience restaurant “.
